**RE: Establishment of the Class of 1981 Alumni Organization
& 30th Year Class ReUnion Agenda**

Hello Fellow Alumni,

Please let this correspondence serve as our formal and written notification making all apprised of the aforementioned committee's current activities as it relates to our 30th year class reunion events and alumni organizational functionalities alike.

Establishment of Alumni & Bahamas Cruise Committee

Initially, this committee was conceptualized under the direction of alumni members James Murphy, Jr., Chief Coordinator and Victor Anderson, Graphic Arts & Design (apparel & accessories) Coordinator. In Murphy's hopes of creating a technology driven, uniformed manner in which the alumni interacts/communicates, he enlisted the innovative and technological talents of our alumni member La'Vetta Vann-Davis. With Davis on board we were able to implement an array of fundamental tools required for the alumni to operate proficiently and effectively. Accordingly, the committee enlisted the talents of me as the Communications Coordinator, Sheryl Williams-Bell, Marketing & Public Relations Coordinator, and Joyce Harper-Quiller, Transportation Coordinator. At this juncture, the following task have been accomplished; the alumni website, email address, Facebook page, Pay Pal account, and Wachovia Bank account, too mention a few. Additionally, this alumnus is federally registered as non-profit organization, has a toll free and facsimile number and P.O. Box address.

Alumni Mission Statement

The mission of this non -profit organization is to support Ribault High School Alumni Class of 1981 in its entirety by way of the following captioned bullet points.

This may be accomplished by, but is certainly not limited to the following:

- Supporting *the Alumni's* future endeavors & events by way of enhancement; limiting the need to request monies from our colleagues for any and all functions desired. This goal will be accomplished by the class collaborating and coming together as a cohesive team. Moreover proficiently executing fundraisers to generate funds for desired future activities.
- Establishing *and maintaining a method of communications for* the *Alumni* via our newly implemented alumnus *website*. More significantly, via mass mailings of correspondence and other media artifacts to the Alumni; keeping all colleagues apprised of upcoming events & meetings.
